Visited by one of our team. Highly recommended.

I just wanted to let you know that we have had a lovely time in LAGR101 and were delighted with the house. It has all the character I was hoping for and lots of warmth and quirky touches in its furnishings that made it feel a family home.

I especially loved all the various places there were to sit and relax. The double bedroom upstairs was truly perfect; comfortable, pretty, and with the windows open, you can hear the river babbling all night. When you wake up you see the chapel and the trees. Adorable!
