Thoroughly enjoyed our holiday in Laurens. The house had plenty of space for us all and was extremely well equipped. Lovely pool and the terrace area was perfect for lazy lunches and evening meals. As we had young children in our group we really appreciated the gates at top and bottom of the outside steps and pool area which meant the little ones had freedom to explore safely. We had great weather, but there were plenty of toys, books, DVDs etc to occupy a rainy day. Would definitely recommend.
