Description

Stylish villa located in a beautiful environment, with large 2600m² garden. Very close to all local amenities and public transport. The main living room extends through south facing bay windows onto a large terrace and overlooking the garden and pool.

This contemporary villa offers ample living space of about 300m² and has been decorated with a characterful combination of boho-chic and vintage furniture. On the ground floors, the entrance hall leads directly to the living area which comprises a comfortable sitting room with fireplace, then to the east side, a small dining area, and a contemporary open kitchen with bar. All bay windows open fully to allow a perfect connection between the inside and outside spaces. On the west side of the living room is a cosy study room with an extra sofa bed for 1 person.

The first floor is accessed through a beautifully designed staircase which leads to the 3 main bedrooms. The first bedroom is the master bedroom with its en-suite dressing and bathroom comprising a bath, a walk in shower and a separate toilet. The two other bedrooms of identical format and size have a double bed of 160x200cm and an ensuite shower room. All bedrooms have access to a long south facing wooden terrace.

The lower ground floor offers an extra large room with a cinema screen and projector. A laundry room and separate toilet room.

The well-appointed garden and centrally positioned swimming pool provide a relaxing environment for the summer season. The pool has a few shallow steps to one side which are much appreciated by the young ones, and is equipped with an alarm system. The dominating terrace provides a wonderful outdoors living space with a seating area, a dining area, a proper bar and a barbecue area.

This property is conveniently located just a five minutes walk to a small shopping area, offering a very good bakery, renowned deli, a grocery, a florist, a newsagent, a pharmacy, and a bank, and last but not least a luxury tennis club with a gym, and spa, the Club 7.

Another 5 minutes walk away, is the Parc Méric, a beautiful historical park with a playgroup for the young ones but also ideal for jogging by the river or playing football.

The property is located in a sought-after residential area in the northern part of Montpellier, less than 10 minutes by car to the city centre, or 20 minutes by tram or bicycle.
