Location

The Villa is situated in a small residential village of Cambieure in the countryside just outside the town of Limoux, 25 minutes from Carcassonne. It is only a few minutes drive to the centre of Limoux with all amenities including great restaurants, cafe bars and local produce shops. There is an excellent restaurant called Domain Gayda within 2.5km of the house, with wine tasting and tapas. Supermarket and all amenities 5 minutes drive. Bar and restaurant in the next village 1.5 miles

The town of Limoux dates back to the 14th century. It is located in the countryside on the banks of the Aude river, 24 miles to the South of Carcassonne. Limoux is the hub of production of 'Blanquette', a sparkling wine made using the 'méthode champenoise'. A delightful substitute for Champagne at a fraction of the cost.

The beautiful beaches of the Mediterranean are about one hour away. Carcassonne, with its famous castle and Canal de Midi where boats can be rented, is less than half an hour away. The stunning Pyrenees are an hour away and offer an abundance of activities such as skiing and white water rafting.

Closer to home, the beautiful towns of Mirepoix and Limoux are perfect examples of traditional french towns full of history, amazing architecture, weekly markets and fantastic bars and restaurants. This area has everything.

Carcassonne is within easy reach and absolutely not to be missed. The fortified city is host to a huge range of cafés, bars, restaurants and summer concerts and festivals including medieval jousting and spectacular 'sound and light' shows with fireworks.

25 minutes drive from Carcassonne with its unmissable citadel and summer cultural events for all ages.

- Carcassonne airport 25 minutes
- Toulouse airport 1hr 15 minutes
