Location

The Pinet region is famous for its white wine which goes spendidly well with fish and Mediterranean foods (yes, there is red wine too). The village is consequently surrounded by vineyards and there are three Domaines/Wineries selling their wines within walking distance of the villa and a fourth organic Domaine still walkable. Pinet has a boulangerie, fresh market/coffee shop, a corner store, great pizza restaurant, weekly fresh market on Tuesdays, and public playgrounds including play structures, exercise equipment with free AirFit app, outdoor table tennis/ping pong, basketball, and tennis courts less than 5 minutes walk from the villa.

Nearby Pomerols is a short 5 minute drive and has a SuperU gas station and supermarket open later than most. Pomerols also offers a pharmacy and restaurants including a pizzeria and a bar/restaurant Labelvie.

Pézenas, a true jewel of the area, is less than 15 minutes away and has a famous Saturday market. Also accessible by public bus, as are many other towns.

Pinet is an excellent spot from which to explore the coastal region between Sète and Béziers. And you don't have to go far inland before you reach the High Languedoc National Park which offer stunning views and great hikes. Béziers (the oldest continually inhabited town in France), Sète (The Venice of the Languedoc) and Montpellier (ancient university town) are all easily accessible.

Marseillan Port, Village and Plage/Beach are a short car ride away and offer a variety of activities, restaurants, cafés and bars.

From Marseillan you can take a pleasure boat ride, book sea fishing trips etc.

Nearest airports:

Béziers-Cap d'Agde - 20 minutes

Montpellier - 25 minutes

Also Carcassonne, Perpignan.
